

# INTERNSHIPS OFFERED AT THE ARTS CENTER

Heritage Academy Junior Cameron Wynne spends 10+ hours weekly at the Arts Center, learning from the professional staff in every area. His focus has been in stage management, enabling him to Stage Manager for Hilton Head Prep's *Les Miserables*.

College graduates find themselves entering a tough job market, vying for jobs against other recent graduates and more seasoned candidates who already have a few years of volunteer and work experience under their belts.

Because competition for jobs is so intense, internships have become incredibly valuable for a graduate's résumé, providing students with real-world experience. They can apply what they've learned in school in a hands-on manner, while getting a true sense of how an organization operates.

Each spring, we interview a group of interested college students who hope to be summer interns in areas from backstage to box office, marketing to stage management, and arts education to arts management. First year internships do not offer a stipend, however we work to schedule your time to allow you to pursue a part-time job.

To apply, e-mail a résumé and cover letter specifying your area of interest, goals, a bit about yourself and why you want to intern here, to Alana Adams, Sr. Dir. of Education, [Aadams@artshhi.com](mailto:Aadams@artshhi.com). Your résumé will be routed to the specific department. The award-winning Arts Center could be the ticket to your future success.

# Terpsichore!

**Classical & Contemporary Dance**

**April 6 – 7 7:30**

**April 8 2:30**

**Arts Center of Coastal Carolina**
