# WHERE YOU BELONG

## THE ARTS CENTER IS PROUD TO PRESENT

outstanding programs that offer a variety of engaging arts experiences. These cultural activities create new opportunities for residents and visitors to share in the wonder, joy and excitement of the arts.

## PRODUCING THEATER SERIES

Each year the Arts Center produces five shows—musicals and plays—from concept to curtain call, featuring outstanding direction, superb set design and talented actors in the Theater Series.

## PRESENTING SERIES PERFORMANCES

From pop to jazz to blues, classic and contemporary dance, as well as vocalists, the Great Performances Series at the Arts Center offers great performances throughout the season.

## EDUCATION PROGRAMS

The Education Program offers visual and performance workshops, lectures, field trips and artist residencies, creating unique youth, special needs, and adult learning experiences.

## COMMUNITY OUTREACH FESTIVALS

The Community Outreach Program features a number of free outdoor festivals and concerts, including the Community Christmas Tree Lighting, Youth Arts Fest and A Taste of Gullah.

*Since the Arts Center's inception in 1996, over 245,000 education outreach services have been provided. For many students this is their first time viewing live theater, being an artist, or hearing a musician play. The Arts Center has become a community education partner to many organizations providing services, support and outreach to sites and schools throughout Beaufort County as well as surrounding counties, while making community art opportunities accessible to everyone.*
